Last week we had seven people show up on league night and I received three makeup rounds. Somehow Ray came out on top with a modified 63...I did the calculations three times...I'm as surprised as you are! Dave still holds on to the first half points lead with a 20 point lead over Frap in 2nd place.

A reminder that week 11 (June 6th) will be a double point week for those who show up on league night and the end of the first half.

See y'all on Thursday!
